To whom it may concern,

It is with pleasure that I recommend the services of Claire Monahan and Rent a Recruiter.

IT Easy is a thought-leading Managed Service Provider and, as such, our staff and the collective culture are key to our success. Claire has on numerous occasions provided invaluable contributions to the selection, induction and management of our team members.

Over the last 2 years, IT Easy has implemented new and innovative business models to position us for further growth in the coming years. Given Claire's extensive recruitment and business consulting background, she was able to critically assist in the structuring of our new business model and add great insight as to the challenges we would face and how to overcome them.

I have no reservation in recommending Claire and the Rent a Recruiter services to any business seeking to undertake new and innovative approaches to business growth and expansion.

Sincerely,
